Dr. Henry M. Wriston  
President, Brown University  
Providence 12, Rhode Island

Dear Dr. Wriston:

I wish to express my sincere appreciation for your generosity and cooperation in releasing [redacted] to the Central Intelligence Agency for a full year.

25X1

With [redacted] recent completion of that year's duty, I am happy to inform you that his contribution to the Agency has amply justified our mutual confidence in him. He has proved invaluable in the solving of our career service and personnel training problems and his work in these fields will bring lasting benefit to the Agency far beyond the year he gave us.

I hope, therefore, you will feel that however great the burden upon you and Brown University, your decision to let us have [redacted] has conduced both to our Agency's effectiveness and to our country's welfare.

25X1

Please accept my personal thanks and regards.

Sincerely yours,

(Signed) ALLEN W. DULLES
